Working Partners & Clients

Notable organizations we work with

Since the very beginning, the companies of Expert Group have been working on many projects across some notable sectors of the country such as energy and power, civil construction and renovation, architecture with interior and exterior services etc. which has enabled us to grow and specialize alongside our clients. For our qualitative products and services, our clients have found us as the most customer-centric companies, exactly what sets us apart from others. Here is an extract from our reputed clients and esteemed working partners from both the govt. and non-govt. entities, featuring the organisations and the companies as stated here.
